Spirit Releasement Therapy is a special form of healing which "calls forth" and identifies positive energies that enhance personal growth, and clears negative energies (whether internally generated or externally attached) that restrict personal growth -- on levels ranging from cellular consciousness to archangelic realms. A 40-page booklet for youth or adults preparing for baptism. Also useful for

adult classes on baptism and individual study. Includes Biblical background, a special section on baptism in the context of the Roman Empire, and chapters on Reformation baptism practice and contemporary baptism practice. Closes with a discussion of "living wet" - the baptism way of life. The Unchained Life Manual is an illustrated holistic wellness guide, which examines sixteen alternative healing modalities to re-calibrate the body, mind, and spirit. The term "bio-hacking" means to alter our biology to achieve a greater level of performance. By incorporating techniques such as light therapy, sound therapy, aromatherapy, vitamin therapy, inversion, meditation, and others, IT IS POSSIBLE to re-balance the body and to live in a state of ease, versus dis-ease. With 78% of Americans overweight and an estimated 80 million people suffering from insomnia and depression, it is becoming more apparent that the majority of people go through their lives living in a state of fatigue, exhaustion, despair, stress, and "dis-ease." The Unchained Life Manual challenges generally accepted dogma concerning health, wellness, and recommended dietary allowances for vitamins and minerals, by presenting anecdotal, empirical, and clinical references that point towards a desperately needed collective paradigm shift. With multiple sources stating that medical mistakes are the third leading cause of death in America, maybe it is time for all of us to truly learn about our physiology and reclaim ownership over our personal health and wellness, so we can avoid unnecessary hospital visits?Disclaimer: The Unchained Life Manual is not medical advice. The information contained within is not designed to diagnose, treat, prevent, or cure any disease. Excerpt from The St. Gertrude Manual or Spirit of Devotion: Selected for the Most Part From the Revelations of Ss. The Gifts of the Holy Spirit are explained with scripture and there is a test that may help you determine the gifts that God the Holy Spirit has given you to minister to God's people! This Teacher's Manual has test's and scoring matrixes that you may copy and use to lead a Bible Study about the Holy Spirit with the accompanying book of the same title. \* Manual only (transcripts not included) \* Full version available from here: <http://createspace.com/4101124> Mike's complete notes on Deliverance & Healing. Healing the wounded heart 7. Ungodly beliefs 8. Ministering to people 9. Jesus first sent 12, then 70, and finally all believers. We're all sent by God, we all have a sphere of influence, and god wants us to be used in this ministry - not only of sharing the gospel, but of healing the sick, and delivering people from evil spirits. Evil Spirits and how they Operate (2 of 5) Examples of Jesus' ministry of deliverance, how He worked, how He operated, and then some of Jesus' teaching as to what evil spirits are and how they operate. How spirits get into people's lives and the ways they operate, leading into a closer examination of the scriptures around deliverance, and what they reveal about demons, and the spirit world. Some basics of the deliverance ministry, leading into a practice exercise (activation). Gateways for Demonic Spirits (3 of 5) Demons need a 'legal doorway' to enter a persons life. In this session, a check-list of 9 common doorways are explained; and what kinds of things would happen inside a person, as a result of demonic bondage. Curses and How to Deal with Them (4 of 5) For people who have a spiritual world view, blessing and cursing are a great reality. Blessing means there's a flow of spiritual power that brings favour around my life; cursing means there is a flow of spiritual power that obstructs and frustrates and sets me back continually. This session will help you identify when a curse is operating, and how to go about addressing it. This includes a range of heart issues that give legal rights to demons. Jesus came to set us free! Casting out of Spirits (5 of 5) Simple dynamics of how to lead someone through deliverance, including dealing with some issues of the heart where demons are attached. Beautiful examples of healing encounters. During recent years, the Christian church has taken stock of its beliefs. In the course of the last century, Christian theology has had many challenges to meet and has not remained unchanged by the encounter. There have been radical questionings of almost every aspect of doctrine. Yet people are more willing now than ever to listen to constructive voices. Christians are in search of a way to articulate faith in God, Father, Son and Holy Spirit, hold convictions about the nature of man and his destiny, and show the relevance of belief to conduct. The author gives a plain and intellectual statement of what faith is, and how it can honestly and meaningfully be expressed today. A spirituality that bases itself more on theory than on

practice is uncertain at best and superstition at worst. This text presents approximately 100 spiritual practices--drawn from the world's traditions, but free of dogma and theology--which invite the reader to discover a broader spirituality. A guide to deliverance ministry explains the biblical record and clarifies what a deliverance ministry is and how it functions in the church of today. (Jn. 1:32) says, and John bare record saying, I saw the spirit descending from heaven like a dove, and it abode upon him. Interpreted John was admitting knowledge and was preserving it in this writing as a report and declaring it in his words that he observed and beheld with his own eyes the supernatural, incorporeal being of God which is the holy spirit move directly downward from the originating abode of God in the same form, appearance, and character as that of the symbol of the dove which is innocence, peace, gentleness, and tenderness, afterwards the incorporeal being of the holy spirit dwelled and continued to reside in relationship with Jesus in his elevated place. Elevation means he was exalted on that day and everyone that day was informed that he was nobility and he was set apart for his father's use, the anointing was elevated with him. They who were given the gift of sight to see that day were able to witness his being anointed by the Holy Spirit and his father's acknowledgement of this fact. (Matt. 3:17) says, and lo a voice from heaven, saying, This is my beloved son, in whom I am well pleased. Interpreted, look, and see a vocal utterance commanded from God's dwelling place, declaring, I greatly love my only descendant, Jesus and he exists because he is mine, what is on the inside of him, his character originated from me, I favor him, he does my will and brings me pleasure. ☐ 55% OFF for BookStore NOW at \$ 46,95 instead of \$ 57,95!☐ A spiritual entity shares his observations on God, love, evil, fear, doubt, joy, fulfillment,
