Sophie Morgan is an independent woman in her thirties with a successful journalism career. Intelligent, witty and sarcastic, she could be the girl next door. Except that Sophie is a submissive; in the bedroom she likes to relinquish her power and personal freedom to a dominant man for their mutual pleasure. In the wake of Fifty Shades of Grey, here is a memoir that offers the real story of what it means to be a submissive. From the endorphin rush of her first encounter right through to punishments the likes of which she couldn't begin to imagine, she explains in frank and explicit fashion the road she travels. But it isn't until she meets James that her boundaries are really pushed. As her relationship with him travels into darker and darker places the question becomes: where will it end? Can she reconcile her sexuality with the rest of her life and is it possible for the perfect man to also be perfectly cruel? Racy, controversial, but always warm, fun and astoundingly honest this is a fascinating and thought provoking look at a seemingly paradoxical side to human nature and sexuality that no man or woman will be able to put down. The "real" Fifty Shades of Grey...A true life erotic story of female submission to rival The Story of O. In Diary of a Submissive, Sophie Morgan candidly explains what exactly an independent, 21st century woman gets out of relinquishing her power and personal freedom in a submissive relationship with a dominant man for their mutual sexual pleasure. In the wake of Fifty Shades of Grey, here is a memoir that offers the real story of what it means to be a submissive and follows Sophie's story as she progresses from her early erotic experiences through to experimenting with her newfound awakened sexuality. From the endorphin rush of her first spanking right through to being collared, she explains in frank and explicit fashion her sexual explorations. But it isn't until she meets James, a real life 'Christian Grey,' that her boundaries and sexual fetishism are really pushed. As her relationship with James travels into darker and darker places, the question becomes: Where will it end? Can Sophie reconcile her

sexuality with the rest of her life, and is it possible for the perfect man to be perfectly cruel? Daring, controversial, and sensual, *Diary of a Submissive* is filled with a captivating warmth and astounding honesty such that no one— man or woman—will be able to put Sophie's story down. Once you read the book you will understand why Sophie Morgan is a pseudonym. For many years Danielle Winters lived a lavish single lifestyle. From *Black Cards* to fast cars, she had it all. Unfortunately, like many successful women, she was missing the one thing that could make her semi perfect life complete. For months she focused solely on finding a man. After several horrifying months of speed dating and friendly hook-ups, Danielle found herself at her wits end. After many nights of praying, her prayers were finally answered and met the man of her dream, David Blake. They quickly married and that dream swiftly turned into a lethal nightmare. For many years she wore her mask proudly. Like any submissive wife, she hid behind her scars as she suffered in silence... Until she learned to fight back. Please note: This is a companion version & not the original book. Sample Book Insights: #1 I am not a pervert. I am a submissive, and it doesn't impact on my work. I consider myself a feminist. I have submissive tendencies that started young, and I'm not sure why. #2 I grew up in a nice middle-class home with my mom, dad, and sister. My mom was an accountant before she had me, and she spent a lot of time with us. My dad is the most hardworking man I know, and he ensured that we had whatever new bike or gadget we wanted. #3 I always loved animals, and I had a strong childhood memory of burying a dead bird I had found in the garden against the wishes of my mother. I was never a natural rebel, and I went about doing my thing quietly. #4 I was a late bloomer on the romance front. I had my first kiss when I was twelve or thirteen with a boy I knew through one of my friends, and I wasn't that impressed by it. There was no thunderclap, no roll of romantic music, and there was a feeling of anticlimax afterward. Can a modern wife be submissive to her husband? In her highly anticipated sequel to *My So-Called Life as a Proverbs 31 Wife*, author Sara Horn takes on one of the most widely debated subjects for a Christian wife—marital submission. What does biblical submission look like for wives today? And why is submission viewed as such a dirty word by so many women and men in our culture, including Christians? Can a happily married couple live out the biblical model of submission and be the better for it? Horn takes on a one-year experiment to seek answers to these questions and to explore what it means to be submissive as a wife and "helper" to her husband. The answers—and her discoveries—may surprise you. This unique, entertaining, and thought-provoking personal account will challenge women to throw out their preconceived notions of what a submissive wife looks like and seek fresh leading from God for their lives and marriages today. Three decades ago, this book and its companion volume "*The New Topping Book*" began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised *New Bottoming Book* and *New Topping Book* give even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! What the experts are saying "The only way I can think of to learn more about bottoming than Dossie Easton and Janet Hardy teach you in [*The New Bottoming Book*] is to go out and bottom for yourself." - William A. Henkin, Ph.D., co-author, *Consensual Sadomasochism* The classic erotic memoir of an intense and haunting relationship that spawned the film. This is a love story so unusual, so passionate, and so extreme in its psychology and sexuality that it takes the reader's breath away. Unlike *The Story of O*, *Nine and a Half Weeks* is not a novel or fantasy; it is a true account of an episode in the life of a real woman. Elizabeth McNeill was an executive for a large corporation when she began an affair with a man she met casually. From the beginning, their

sexual excitement escalates through domination and humiliation. As the affair progresses, woman and man play out ever more dangerous and more elaborate sado-masochistic variations. By the end, she has relinquished all control over her body and mind. With a cool detachment that makes the experiences and sensations she describes all the more frightening in their intensity, Elizabeth McNeill beautifully unfolds her story and invites you to experience the mesmerizing, electrifying, and unforgettably private world of *Nine and a Half Weeks*. In a last ditch attempt to revive her marriage, Sarah decides to follow the dictates of a book titled, "How to Be a Submissive Wife". Everything ran smoothly until she gave her husband the companion book to hers called, "How to be a Dominant Husband." Little did she know that this book was a Domestic Discipline manual that instructed her husband to set up Rules for her to follow and suggested discipline in the form of spanking if she broke these rules!(This is a work of erotica. It contains explicit sexual scenes. It is not intended for readers under 18 years old.) [Siren Allure: Erotic Consensual BDSM Romance, M/F with M/F/M and F/F elements, public exhibition, spanking, whipping, caning, shaving, piercing, sex toys, HEA] Desperate for Dominant Ben to show an interest in her, Kat is persuaded by a friend to attend a beginners submissive and BDSM training conference in the hope of finding out how to attract him. She is shocked to find he is one of the trainers. Meanwhile, Ben doesn't think she is submissive enough for him and conceives of increasingly intimate tasks to prove he is right, despite admiring her courage in staying. As the conference progresses, Kat is fascinated by what she learns and completes each task, hoping all the while to convince him of her submissiveness—although some tasks she finds more difficult than others. Confused by his growing feelings for her, Ben keeps pushing her away until her tenacity finally wears him down and he insists on her taking a final exam to prove herself. Is this a step too far for Kat? ** A Siren Erotic Romance My unsuccessful search for a lasting relationship during my long journey is truthfully told, and those who I have met are described as accurately as I possibly can recall over my nearly 50-years' partnership with a wide variety of men. As I write in the book, there remains an existing friendship with more than a few of these men, even though we may have gone our separate ways since our earlier intimacy. Others, of course, have faded into the past and are only memories, mostly positive. *One of Glamour's Best Books of 2020* Popular podcast host and personal finance expert Lindsay Goldwert explores what professional dominatrixes can teach us about confidence, power, and happiness. Imagine, for a moment, a world where the usual power dynamic is turned on its head. Where women not only stop apologizing, but seize—and enjoy—control. This is the quickly mainstreaming world of BDSM (bondage, discipline, sadism, masochism)—and it has a lot to teach women about empowerment, negotiation, open-mindedness, and more. Journalist Lindsay Goldwert, intrigued by this seismic cultural shift, traveled across the United States to meet the stars of the subculture, who spoke frankly with her about their lives and work. In this "lively, funny, thoughtful channeling of wisdom" (Sara Benincasa, author of *Real Artists Have Day Jobs*), these Alpha women show you how you can reset the power dynamic in any situation to get what you want—whether it's from a husband, a boss, or partner. They share strategies for revolutionizing not only your sex life, but your career, your relationships, and most importantly, your inner foundations. With bondage gear popping up on the big screen, the runway, the red carpet, and in celebrity lingerie lines, BDSM is officially moving out of the dungeon and into the sun. Let *Bow Down* help you learn how to use it. "Whether your fantasies lie in the bedroom or the boardroom, Lindsay will give you the courage to go forth and dominate." (Sarah Cooper, author of *How to Be Successful without Hurting Men's Feelings*). Marie Autumn yearns to willingly submit to someone. To lose control. To surrender. The woman has endured a great deal of abuse from her father, and she wishes to control the pain, in some way at least, through BDSM. Unfortunately, the dom she submits to gets consumed by the power he holds over her, which leads them down a

very dark road. Will Marie escape and find love? Or will she forever be tied to the man's bed in golden handcuffs, starving because he refuses to feed her? SUNDAY TIMES BESTSELLING AUTHOR. One woman's true story of sexual dominance, submission and temptation, *The Secret Life of a Submissive and Bonds of Love*, now combined in a single eBook volume for the first time. Have you felt 'left out' of the traditional relationship self-help books because you derive great pleasure from following your partner's requests and direction on many things in your life? Or do you respond to the natural inclination to guide, direct and protect your partner? Are your friends and family having difficulty understanding that your relationship works more like a captain and first mate on a boat? If so, this innovative book, *Leading and Supportive Love, the Truth about Dominant and Submissive Relationships*, can help with new and clearer understanding of yourself, your relationship and acceptance with those that you love and care for. The Dominant and Submissive Relationship is an ancient and contemporary harmonious dance that has become mysterious, magnetic, powerful, and controversial in modern day society. It may not be what you think, and some of the truth may surprise you! It's a law of nature for socialized animals and humans to have hierarchical relationships. There are those who answer that call in a more literal, thorough way. The couple has a 'pack leader'; or a dominant leader; and a submissive member. Through history to modern day, both roles have been held by both men and/or women...Oh and yes, this is a relationship where both partners are equals. Read about case illustrations, research insights, relationship help, and surprising details that may make you look at this type of long-term, committed relationship in a whole different way, no matter what gender you are! Do you identify with one of these lists of traits? Most people either do identify or know someone who does. If so, this unprecedented book is for you! S-Type Service to your partner is of great priority to you and you take it very seriously. Decisiveness, direction, and guidance from your partner makes you feel secure and loved. You avoid conflict and are generally non-confrontative in nature in close relationships. You greatly appreciate your partner being clear and direct with communication, so there are no doubts about what the expectations are. You appreciate the freedom that comes from structure, surrender, and personal discipline. L-Type You have natural dominant traits and seem comfortable and confident when using them. You place an importance on follow-through and follow-up from your partner. You step into your natural abilities to lead, guide, protect and direct. It's important to you that you earn trust from your partner. You will not ask for it or demand it up front. You feel safe, secure and valued when your partner trusts you to lead and make decisions in the areas agreed upon. Factory Settings of a submissive, contains explicit content intended for adults. Including graphic sexual descriptions, adult language and content that is not suitable for anyone under the age of 18. View at your own discretion. Submission can be described by a lot of words but "easy" isn't one of them. Discovering and honoring your desire to submit takes courage, strength and passion. Learning to follow the lead and rhythm set by another, and stretching your limits to accommodate training and service can challenge and exhaust you. The discipline to hold your tongue, retrieve your paddle, or wait around endlessly while knot after knot is being tied as part of a bondage ritual drains your energy. Submission stretches, taxes, pushes, and exposes your body and soul to the whim and desire of another. Submissive women need support, care and nurture to continue on this journey in a healthy fashion. "Care and Nurture for the Submissive" offers tips, understandings, and pathways to tend the fragile and beautiful souls of submissive women. Self-care is not selfish; it is essential. Only when you are taking care of yourself as a healthy, whole being can you give that self to another with a full heart and free joy. Suzi's marriage was on the rocks. She had put on too much weight since the birth of her last child and lost interest in sex. Not surprisingly then, her husband had developed his sex life elsewhere. His long business trips to London had allowed him to find a mistress who shared his sexual tastes and that relationship

flourished. When Damion finally told her he thought it was time to move on, Suzi was desperate to keep him and was prepared to do anything to keep the marriage together. That was to be total submission to her husband and a willingness to completely embrace the D/s lifestyle he enjoyed with his mistress. That was only the start and this novella follows Suzi's journey into submission, through the training at her husband's hands to the extreme sexual encounters he arranges with other men, women and groups of people who have only one thing in common; a desire to enjoy his sexy, submissive wife. This story has been told before in a series of short ebooks and two collections - *Submissive Women* - but this is the first time Suzi's journey from naive and respectable housewife to horny submissive slut has been available in one long story. Discover the ONE method you need to turn your existing marriage back into a steaming hot, passionate honeymoon. Sex-life in your marriage is down the drain? Your wife lost all respect for you? Zero admiration for the work you put in every day to keep your family afloat? You are one of many men who lives a life of quiet desperation. You want to have a proper sex-life, but everytime you initiate you get a hard no, or starfish sex. When you are out with friends, your wife makes fun of you. Directly or indirectly. Your kids don't listen to anything you say. And on top of this, you need to work a job you absolutely hate to provide this, and still you get nothing in return. You are an ATM machine and a sponge to unload emotional baggage. Is that the life you want? ? NO. ? And this book holds the keys to turn your wife into a submissive sex-kitten. To receive respect, admiration, and love from your closest ones. To finally make the marriage worth it. And it all comes down to one simple method. Discover inside the secret to get the relationship you always wanted! Can a modern wife be submissive to her husband? Sophie Morgan bares all in her controversial sequel to *Diary of a Submissive, No Ordinary Love Story*. Sophie Morgan is a submissive. An ordinary, successful young woman who in private surrenders her body and mind to a dominant man. Some of these relationships have been loving, others casual, one just cruel. But what happens when she meets the dominant man of her dreams? When they move in together? When life, love and play collide? In *Adam*, Sophie has found a man to respect and cherish her, as well as a lover who'll take her to the very limits of pain and pleasure. But how do you decide whose cooking dinner when later one of you will be whipping the other? Can you be curled up together watching TV one night and the next indulging in a serious punishment session? In this follow-up to the number-one bestseller, *The Diary of a Submissive*, Sophie tells us what she did next, how she struggled to combine an ordinary relationship with her sexual needs. It's a controversial, honest and erotic story of trying to find her kinkily romantic happy-ever-after. *No Ordinary Love Story* is Sophie Morgan's real-life *Fifty Shades of Grey*. Sophie Morgan is the author number-one best-selling *The Diary of a Submissive*, and is a journalist in her thirties. Deanna Hankel is the daughter of a Dominant and a submissive. Much of her childhood, however, took place inside a sadist's household. It was there that the power exchange between her mother and stepfather permeated the air and left a permanent impression on Deanna. She grew up and met a Dominant of her own who showed her what she already knew--that she was born submissive. *Born Submissive* takes you inside both a

Master/slave and a D/s household. There you'll see what it's like to be both a slave and a submissive. You'll roam the halls of a sadist's house, where a Doberman Pinscher is always on guard. You'll also roam the halls of a highly particular Dominant's house and experience what it's like to have D/s sex on his wall. The purpose is to guide you through making an informed choice about the type of BDSM relationship that you really want. Inside you'll get tips on what kind of service notebook to buy, how to communicate effectively through journaling, and why you should buy cheap lingerie! All of the basic elements of BDSM will be covered, as well as some of the advanced ones. There are even chapters on sadist and Dominant bosses because, as it turns out, true submissiveness transcends the bedroom. [Siren Menage Everlasting: Erotic Consensual BDSM Menage a Quatre Romance, M/F/M/M, voyeurism, spanking, sex toys, HEA] Juliette Carroll arrives home from college to find that her sister, Jill, has become a submissive and is about to be collared by the man she calls Master. Racy, controversial, but always warm, fun and astoundingly honest this is a fascinating and thought provoking look at a seemingly paradoxical side to human nature and sexuality that no man or woman will be able to put down. In this enticing read from New York Times bestselling author Tara Sue Me's *Submissive Series*, the submissive and her dominant explore just how long they can make the pleasure last... It started with a hidden desire. Millionaire CEO Nathaniel West has always played by his own strict set of rules, ones he expects everyone to follow—especially the women he's dominated in his bedroom. But his newest lover is breaking down all his boundaries and rewriting his rule book. Abby King never imagined that she would capture the heart of Nathaniel West, one of New York City's most eligible bachelors—and its most desirable dominant. What began as a weekend arrangement of pleasure has become a passionate romance with a man who knows every inch of her body and her soul—yet remains an enigmatic lover. Though he is tender and caring, his painful past remains a wall between them. Abby knows the only way to truly earn his trust is to submit to him fully and let go of all of her lingering inhibitions. Because to lead Nathaniel on a path to greater intimacy, she must first let him deeper into her world than anyone has ever gone before... "This is the story of a particularly sensitive pervert with a wry, self-deprecating wit - and one of the very few professional submissives who works independently. As Joan struggles against others' definitions of identity and sexuality, she finds herself battling her own ideas of self-worth and self-destructiveness. Between the thrill of being paid to have orgasms, and the difficulty of remaining self-possessed,

all the while surrendering to the sexual will of others, Joan has managed to recover more of herself through the pains and pleasures of sex work than she would have imagined."--BOOK JACKET. SUBMISSIVE TRAINING Thinking of becoming a slave to Christian Grey? A brief introduction into the realm of BDSM, i.e., Bondage, Discipline and Sado-masochism Basic knowledge on submissive training in the perspective of a submissive Tips to please your Dominant partner through conditioning, rules and protocols and even pain tolerance techniques 30 sexual scenarios for you and your dominant partner to explore and apply for the best Dominant/submissive - D/s experience If you really want to know what submissives do/say/feel behind closed doors then this is the book for you. Beyond any shades of grey, there's an entire kinky world of BDSM, full of real life dominants and submissives enjoying an intimacy and satisfaction in their relationships that vanilla folk only dream of. Whether you want to explore your own submissive fantasies, or you're just curious about what BDSM is really like, this book will answer all your questions, plus some you didn't know you had. Erotic author Kate Kinsey ("Red," and "The Totally Uncensored Kinky Adventures of Chloe St. Claire, Sex Slave") brings over a decade of experience as a submissive and kinky educator to this practical step-by-step guide to being a healthy and happy submissive. Topics covered include: the differences between dominants and masters, submissives and slaves, and tops and bottoms; the different dominant styles; the truth about "training" to be a submissive; how to find like-minded folks in your area; how to negotiate scenes and relationships; what to expect at your first dungeon party; why some people actually enjoy pain; and the warning signs to look out for when talking to potential partners. "Kinsey has written a no-nonsense guide that thoroughly explains the various kinks and fetishes that come under the umbrella of BDSM. Most importantly, she emphasizes the importance of protecting yourself along the way with knowledge, friends and self-awareness." "This is not fiction, but reality. Kate Kinsey has the experience to tell it like it is, not the way some vanilla writer imagines it to be." The erotic tale of an innocent secretary's seduction into the dark, delicious world of consensual BDSM at the hands of an exacting employer. Submission : a philosophical taboo -- Is submission feminine? Is femininity a submission? -- Womanhood as a situation -- Elusive submission -- The experience of submission -- Submission is an alienation -- The objectified body of the submissive woman -- Delights or oppression : the ambiguity of submission -- Freedom and submission -- Conclusion: What now? The second tantalizing novel in Tara Sue Me's New York Times bestselling Submissive series... Nathaniel West doesn't lose control. As the playboy CEO of West Industries, he governs the boardroom during the day; as a strict dominant with exacting rules, he commands the bedroom at night. He never takes on inexperienced submissives, but when Abigail King's application comes across his desk, he breaks his own restrictions and decides to test her limits. Abby's combination of innocence and willingness is intoxicating, and Nathaniel is soon determined to collar her as his own. As long as she follows his orders and surrenders herself fully to him, no one will get hurt. But when Nathaniel begins falling for Abby on a deeper level, he realizes that the trust must go both ways—and he has secrets which could bring the foundations of their entire relationship crashing down... Nothing will prepare you for a life of submission in the same way as your formal training. Submissive training isn't just a "good idea" when it comes to creating a BDSM relationship. It is essential. "Submissive Training: 23 Things You Must Know About How To Be A Submissive" is designed to help you know what to expect when you go through training with a new Dom. Every couple is unique and every Dom may have different

ways of teaching you the systems of service he prefers. However, these are the basics all trained subs and slaves learn and employ in daily life. Rushing into a relationship or service contract with a Dom without training puts the future of your time together at risk. All of the arguments, resistance, misunderstandings and hurt feelings that go with a new submissive's experiences can be eradicated by a period designated for learning, listening, trial and error. Even if you have been with a previous Dom you will need to go through an abbreviated training time to ensure your patterns and understandings match one another. Training is a way to "get in the same rhythm" and find the perfect groove. If you are a Dom, this guide is the perfect gift to give to your new sub. If you are a sub, this guide will teach you how to go through your submissive training. As you go through these things on the journey to become the woman you were made to be, you will be tested but you will also be proud, joyful and, perhaps for the first time in your life, you will be at peace. The author presents her experiences in a submissive relationship with a dominant man for their mutual sexual pleasure. Based on true accounts and the emotion behind them. A brief description of the roadmap of a submissive and the voice she gained along the journey. Transparency on a journey of self love and clarity. The Submissive Activity Book is your ticket to self-accountability during your journey as a submissive in the Leather and BDSM Communities. This book contains exercises and recommendations to help you improve your service with or without a power exchange relationship. If you've ever felt disconnected from your service because you weren't actively serving a dominant, this book is for you. When you learn to be accountable to yourself, you'll find serving others easier and more fulfilling. If you're engaged in a power exchange relationship and want to improve your service, this book is the perfect tool to use in conjunction with your dominant. Together you can improve your service to meet their needs.
