Mess Oct 19 2021 From the internationally bestselling creator of *Wreck This Journal*, a book that celebrates mistake- and mess-making like never before... Your whole life, you've been taught to avoid making a mess: try to keep everything under control, color inside the lines, make it perfect, and at all costs, avoid contact with things that stain. This book asks you to do the opposite of what you have been taught. Think of it as your own personal rumpus room. A place to let loose, to trash, to spew, to do the things you are not allowed to do in the "real world." There are only three rules you will find in this book: 1. Do not try to make something beautiful. 2. Do not think too much. (There is no "wrong.") 3. Continue under all circumstances. It's time to make a mess.

*Wreck this Journal* Jan 22 2022 An illustrated volume offering a subversive array of prompts encourages readers to compile a collection of their best mistake- and mess-making talents into a journal and then to destroy, deface, or damage them in order to fully experience the creative process. Original.

Wreck This Picture Book Jul 28 2022 An Indie Next List Selection Keri Smith, creator of the mega-bestselling *Wreck This Journal*, now brings her imagination and inspiration to children with this picture book that explores the very active experience of reading. We are all part of the books we read, because our individual reactions, ideas, and emotions make the book whole, and these things are changing all the time. Keri Smith has helped millions of people free their creativity and find their own voice with her interactive books, and now she brings that sensibility to children and to the act of reading. This picture book is an invitation to honor your own vision and to welcome imperfection. Kids will discover that reading can engage all five senses, and that what they themselves bring to a book is an important contribution. (And of course they'll be invited to do a bit of harmless

"wrecking"!)

*The Emotional Craft of Fiction* Nov 27 2019 Engage Your Readers with Emotion While writers might disagree over showing versus telling or plotting versus pantsing, none would argue this: If you want to write strong fiction, you must make your readers feel. The reader's experience must be an emotional journey of its own, one as involving as your characters' struggles, discoveries, and triumphs are for you. That's where *The Emotional Craft of Fiction* comes in. Veteran literary agent and expert fiction instructor Donald Maass shows you how to use story to provoke a visceral and emotional experience in readers. Topics covered include: • emotional modes of writing • beyond showing versus telling • your story's emotional world • moral stakes • connecting the inner and outer journeys • plot as emotional opportunities • invoking higher emotions, symbols, and emotional language • cascading change • story as emotional mirror • positive spirit and magnanimous writing • the hidden current that makes stories move Readers can simply read a novel...or they can experience it. *The Emotional Craft of Fiction* shows you how to make that happen.

There's this weird gap in life that's fuelled by cheap tacos and even cheaper tequila - also known as our twenties.
