But I'll break that promise over and over again if it helps me avenge her death. When my only lead turns to ash in the middle of demon territory, I'm suddenly a dead witch walking. Violence in Samael's club is an automatic death sentence... unless he can use you. And it turns out that the most powerful demon in the country has a use for little ol' me. Demons are being slaughtered. His demons. And as a bounty hunter, it's up to me to find out who would dare hurt his people. I've got two weeks to find the killer, and if I fail, I'm bonded to Samael. girl who risks her freedom for a demon. I'm the kinda girl who won't let anyone get in the way of her vengeance-- not even the Machiavellian control freak who thinks he can run my life. The problem? **The Gods and Demons Series Feb 20 2022 From book 1: Troya has given up her mythology geek ways to focus on pursuing her nursing degree. She's made weird, but fierce, friends in the growing city of Ontonagon in the four years since she arrived as an orphaned, wounded teenager. She's managing to make something of herself, despite the loss of her real family. But it seems like the universe has other plans for her. Weird visions, hallucinations that make her closest friends seem like monsters...probably just an over-the-top-reaction to all the stress in her life. (Either that, or it's a brain tumor.) When a creepy run-in with a monster during her clinical**

rotations at the hospital threatens to make her fail out of school, Troya thinks it can't possibly get any worse. But she's wrong. So wrong. The world Troya has known all her life is ripped away in one weird night, and even two hot roommates-turned-lovers might not be enough to salvage things. Not when her entire existence is overshadowed by the memory of a dark prince bathed in blood—and the pain that drove her to forget everything. \*The Gods and Demons series is a spin off from the Gesa's Menagerie series. While it can be read on its own, reading the Menagerie series first will provide more depth to the world and characters. Author's Note: I was tired of reading the same old thing over and over again in reverse harem. Sick of all alpha male and fainting female all the time—and desperate to be able to tell the male characters apart—I try my best to infuse some variety into my stories. You've been warned. Story length definitions: Flash fiction: 200-2,000 words Short story: 1,500-7,500 words Novelette: 7,500-15,000 words \*Novella: 15,000-40,000 words\* Novel: 50,000 words and up. \*The Gods and Demons books are long novellas/short novels of between 35,000-56,000words. \*This is a series. There will be unresolved plot threads at times/ occasional cliff hangers. This first book DOES have a cliffhanger (though some plot arcs are completed as well). I generally will not do that thing that some authors do where you get an incomplete book that just stops in the middle. Some arcs will be completed or complete for "now," but there will be lead-ins to the next book in the series. \*Do NOT read this series if you are easily offended. The series will contain: mentions of past trauma (of ANY kind), adult language (that's cursing kids, lots of it), and sexual content (possibly including male/female, male/male, female/female, male/male/female, female/female/male and any other combination you can think of.)
