Out of Afghanistan Jul 28 2022 Reveals how skillful diplomacy got the Soviets to withdraw from Afghanistan

Sea Prayer Sep 17 2021 ****Please note that this will work best on a color device and will appear in a horizontal format**** The #1 New York Times-bestselling author of *The Kite Runner*, *A Thousand Splendid Suns*, and *And the Mountains Echoed* responds to the

heartbreak of the current refugee crisis with this deeply moving, beautifully illustrated short work of fiction for people of all ages, all over the world. "Intensely moving. . .Powerfully evocative of the plight in which displaced populations find themselves."– Kirkus, STARRED Review "Hosseini's story, aimed at readers of all ages, does not dwell on nightmarish fates; instead, its emotional power flows from the love of a father for his son."– Publishers Weekly, STARRED BOX Review A short, powerful, illustrated book written by beloved novelist Khaled Hosseini in response to the current refugee crisis, *Sea Prayer* is composed in the form of a letter, from a father to his son, on the eve of their journey. Watching over his sleeping son, the father reflects on the dangerous sea-crossing that lies before them. It is also a vivid portrait of their life in Homs, Syria, before the war, and of that city's swift transformation from a home into a deadly war zone. Impelled to write this story by the haunting image of young Alan Kurdi, the three-year-old Syrian boy whose body washed upon the beach in Turkey in September 2015, Hosseini hopes to pay tribute to the millions of families, like Kurdi's, who have been splintered and forced from home by war and persecution, and he will donate author proceeds from this book to the UNHCR (the UN Refugee Agency) and The Khaled Hosseini Foundation to help fund lifesaving relief efforts to help refugees around the globe. Khaled Hosseini is one of the most widely read writers in the world, with more than fifty-five million copies of his novels sold worldwide in more than seventy countries. Hosseini is also a Goodwill Envoy to the UNHCR, and the founder of The Khaled Hosseini Foundation, a nonprofit that provides humanitarian assistance to the people of Afghanistan.

[The Kitemaker](#) Mar 24 2022 Ruskin Bond wrote his first short story, 'Untouchable', at the age of sixteen in 1950. Since then he has written over a hundred stories, including the classics 'A Face in the Dark', 'The Kitemaker', 'The Tunnel' and 'Time Stops at Shamli'.

Two of his autobiographical works, 'Life with Father' and 'My Father's Last Letter', are also included in this selection. Filled with characteristic warmth, gentle humour and keen observations on daily life, this collection brings together some of the finest short fiction by one of India's best-loved authors.

The Narrative Reader Jun 02 2020 The Narrative Reader provides a comprehensive survey of theories of narrative from Plato to Post-Structuralism. The selection of texts is bold and broad, demonstrating the extent to which narrative permeates the entire field of literature and culture. It shows the ways in which narrative crosses disciplines, continents and theoretical perspectives and will fascinate students and researchers alike, providing a long overdue point of entry to the complex field of narrative theory. Canonical texts are combined with those which are difficult to obtain elsewhere, and there are new translations and introductory material. The texts cover crucial issues including: * formalism * responses to narratology * psychoanalysis * phenomenology * deconstruction * structuralism * narrative and sexual difference * race * history The final section is designed to guide the student reader through the texts, and includes a helpful chronology of narrative theory, a glossary of narrative terms, and a checklist of narrative theories.

A Summer Life Jan 28 2020 Gary Soto writes that when he was five "what I knew best was at ground level." In this lively collection of short essays, Soto takes his reader to a ground-level perspective, resreating in vivid detail the sights, sounds, smells, and textures he knew growing up in his Fresno, California, neighborhood. The "things" of his boyhood tie it all together: his Buddha "splashed with gold," the taps of his shoes and the "engines of sparks that lived beneath my soles," his worn tennies smelling of "summer grass, asphalt, the moist sock breathing the defeat of baseball." The child's world is made up of small things--small, very important things.

Shahnameh Dec 21 2021 The definitive translation by Dick Davis of

the great national epic of Iran—now newly revised and expanded to be the most complete English-language edition A Penguin Classic Dick Davis—“our pre-eminent translator from the Persian” (The Washington Post)—has revised and expanded his acclaimed translation of Ferdowsi’s masterpiece, adding more than 100 pages of newly translated text. Davis’s elegant combination of prose and verse allows the poetry of the Shahnameh to sing its own tales directly, interspersed sparingly with clearly marked explanations to ease along modern readers. Originally composed for the Samanid princes of Khorasan in the tenth century, the Shahnameh is among the greatest works of world literature. This prodigious narrative tells the story of pre-Islamic Persia, from the mythical creation of the world and the dawn of Persian civilization through the seventh-century Arab conquest. The stories of the Shahnameh are deeply embedded in Persian culture and beyond, as attested by their appearance in such works as *The Kite Runner* and the love poems of Rumi and Hafez. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Maldoror & the Complete Works of the Comte de Lautreamont Apr 12 2021 Andre Breton wrote that MALDOROR is "" the,expression of a revelation so complete it seems to,exceed human potential."" First published in 1869,MALDOROR is the work of a mysterious genius about,whom little is known aside from his birth in,Uruguay, 1846, and his early death in Paris, 1870.,His writings, published under the pseudonym Comte,de Lautreamont, bewildered his contemporaries but,have since taken their place alongside other,French classics of transgression such as Sade,Baudelaire, Rimbaud. A unique translation.

Principles and Practices of Teaching English as an International Language Mar 31 2020 This book critically examines current ELT practices vis-à-vis the use of English as an international lingua franca. It bridges the gap between theoretical discussion and the practical concerns of teaching English as an international language (EIL), and presents diverse approaches for preparing competent users of English in international contexts. Part 1 examines how the linguistic and functional varieties of English today complicate ELT, and suggests ways to address them effectively in an English language classroom. Part 2 showcases English courses and programs that are specifically based on the EIL perspective, illustrating how the issues addressed in Part 1 are realized in a real context. This section also presents a collection of EIL pedagogical ideas that have been developed and used successfully by English teachers across the world.

Building on Strength Feb 20 2022 This book offers an exciting new perspective on language socialization in Latino families. Tackling mainstream views of childhood and the role and nature of language socialization, leading researchers and teacher trainers provide a historical, political, and cultural context for the language attitudes and socialization practices that help determine what and how Latino children speak, read, and write. Representing a radical departure from the ways in which most educators have been taught to think about first language acquisition and second language learning, this timely volume: introduces the theories and methods of language socialization with memorable case studies of children and their families; highlights the diversity of Latino communities: offers important insights into the ways in which children learn to speak and read by negotiating overlapping and/or conflicting cultural models; and suggests universal practices to facilitate language socialization in multilingual communities, including applications for teachers.

The Kite Runner May 26 2022 1970s Afghanistan: Twelve-year-old Amir is desperate to win the local kite-fighting tournament and his loyal friend Hassan promises to help him. But neither of the boys can foresee what will happen to Hassan that afternoon, an event that is to shatter their lives... Since its publication in 2003, *The Kite Runner* has sold twenty one million copies worldwide. Through Khaled Hosseini's brilliant writing, a previously unknown part of the world was brought to life. Now in this beautifully illustrated, four-colour graphic novel adaptation, *The Kite Runner* is given a vibrant new life which is sure to compel a new generation of readers.

The Kite Runner (Play Script) Jun 26 2022 The script for the stage production of Khaled Hosseini's first and internationally bestselling novel, *The Kite Runner*, as adapted by playwright Matthew Spangler. The unforgettable, heartbreaking story of the unlikely friendship between a wealthy boy and the son of his father's servant, *The Kite Runner* is a beautifully crafted novel set in a country that is

in the process of being destroyed. Now adapted for the stage, the story is about the power of reading, the price of betrayal, and the possibility of redemption, and is an exploration of the influence of fathers over sons--their love, their sacrifices, their lies. A sweeping saga of family, love, and friendship told against the devastating backdrop of the history of Afghanistan over the last thirty years, *The Kite Runner* is an unusual and powerful story that has become a beloved, one-of-a-kind classic. This adaptation was first performed at Wyndham's Theatre, London, in December 2016.

Is There Still Sex in the City? Feb 29 2020 Twenty years after her sharp, seminal first book *Sex and the City* reshaped the landscape of pop culture and dating with its fly on the wall look at the mating rituals of the Manhattan elite, the trailblazing Candace Bushnell delivers a new book on the wilds and lows of sex and dating after fifty. Set between the Upper East Side of Manhattan and a country enclave known as The Village, *Is There Still Sex in the City?* follows a cohort of female friends—Sassy, Kitty, Queenie, Tilda Tia, Marilyn, and Candace—as they navigate the ever-modernizing phenomena of midlife dating and relationships. There’s “Cubbing,” in which a sensible older woman suddenly becomes the love interest of a much younger man, the “Mona Lisa” Treatment—a vaginal restorative surgery often recommended to middle aged women, and what it’s really like to go on Tinder dates as a fifty-something divorcee. From the high highs (My New Boyfriend or MNBs) to the low lows (Middle Age Madness, or MAM cycles), Bushnell illustrates with humor and acuity today’s relationship landscape and the types that roam it. Drawing from her own experience, in *Is There Still Sex in the City?* Bushnell spins a smart, lively satirical story of love and life from all angles—marriage and children, divorce and bereavement, as well as the very real pressures on women to maintain their youth and have it all. This is an indispensable companion to one of the most revolutionary dating books of the twentieth century from one of our most important social commentators.

Spin the Dawn Jan 22 2022 Project Runway meets Mulan in this sweeping fantasy about a teenage girl who poses as a boy to compete for the role of imperial tailor and embarks on an impossible journey to sew three magic dresses, from the sun, the moon, and the stars. And don't miss Elizabeth Lim's new novel, the instant New York Times bestseller, *Six Crimson Cranes*! "All the cutthroat competition of a runway fashion reality show and the thrilling exploits of an epic quest." —The Washington Post Maia Tamarin dreams of becoming the greatest tailor in the land, but as a girl, the best she can hope for is to marry well. When a royal messenger summons her ailing father, once a tailor of renown, to court, Maia makes the ultimate sacrifice and poses as a boy to take his place. She knows her life is forfeit if her secret is discovered, but she'll take that risk to achieve her dream and save her family from ruin. There's just one catch: Maia is one of twelve tailors in a cutthroat competition for the job. Backstabbing and lies run rampant as the tailors compete in challenges to prove their artistry and skill. Maia's task is further complicated when she draws the attention of the court magician, Edan, whose piercing eyes seem to see straight through her disguise. And nothing could have prepared her for the unthinkable final challenge: to sew three magic gowns for the emperor's reluctant bride-to-be, from the sun, the moon, and the stars. With this impossible task before her, she embarks on a journey to the far reaches of the kingdom, seeking the sun, the moon, and the stars, and finding more than she ever could have imagined. Steeped in Chinese culture, sizzling with forbidden romance, and shimmering with magic, this fantasy novel is not to be missed. "This is a white-knuckle read." —Tamora Pierce, #1 New York Times Bestselling author of *Tempests* and *Slaughter*

Perfect on Paper Sep 25 2019 “Perfectly wonderful.” —Becky Albertalli, New York Times–bestselling author of *Simon vs. the Homo Sapiens Agenda* “An electrifying love story.” —Booklist FROM NATIONALLY AND INTERNATIONALLY-BESTSELLING AND INDIE NEXT PICK AUTHOR Sophie Gonzales comes *Perfect on Paper: Leah on the Offbeat* meets *To All the Boys I've Loved Before* in this YA romcom, where a bisexual girl who gives anonymous love advice to her classmates is hired by the hot guy to help him get his ex back Her advice, spot on. Her love life, way off. Darcy Phillips: • Can give you the solution to any of your relationship woes—for a fee. • Uses her power for good. Most of the time. • Really cannot stand Alexander Brougham. • Has maybe not the best judgement when it comes to her best friend, Brooke...who is in love with someone else. • Does not appreciate being blackmailed. However, when Brougham catches her in the act of collecting letters from locker 89—out of which she’s been running her questionably legal, anonymous relationship advice service—that’s exactly what happens. In exchange for keeping her secret, Darcy begrudgingly agrees to become his personal dating coach—at a generous hourly rate, at least. The goal? To help him win his ex-girlfriend back. Darcy has a good reason to keep her identity secret. If word gets out that she’s behind the locker, some things she's not proud of will come to light, and there’s a good chance Brooke will never speak to her again. Okay, so all she has to do is help an entitled, bratty, (annoyingly hot) guy win over a girl who’s already fallen for him once? What could go wrong?

And the Mountains Echoed Nov 19 2021 So, then. You want a story and I will tell you one...Afghanistan, 1952. Abdullah and his sister Pari live in the small village of Shadbagh. To Abdullah, Pari, as beautiful and sweet-natured as the fairy for which she was named, is

everything. More like a parent than a brother, Abdullah will do anything for her, even trading his only pair of shoes for a feather for her treasured collection. Each night they sleep together in their cot, their skulls touching, their limbs tangled. One day the siblings journey across the desert to Kabul with their father. Pari and Abdullah have no sense of the fate that awaits them there, for the event which unfolds will tear their lives apart; sometimes a finger must be cut to save the hand.

Censorship in Ray Bradbury's Fahrenheit 451 Sep 05 2020 Responding to a time of unparalleled censorship, from the McCarthy trials, to book burning festivals in Nazi Germany, to the millions of

poets and writers imprisoned or executed by the Soviet government, Ray Bradbury's *Fahrenheit 451* offers a vision of the world in which the elimination of challenging ideas tears away at the fabric of free speech and society. This compelling edition offers readers a collection of eighteen essays that contextualize and expand upon the theme of censorship in *Fahrenheit 451*. The book includes an interview with Bradbury and also covers the author's life and work. Other discussions include contemporary perspectives on censorship, a discussion of when governments might need to restrict ideas, what we risk when we censor the internet, and the importance of libraries and access to books.

The Blacktongue Thief Oct 07 2020 Set in a world of goblin wars, stag-sized battle ravens, and assassins who kill with deadly tattoos, Christopher Buehlman's *The Blacktongue Thief* begins a 'dazzling' (Robin Hobb) fantasy adventure unlike any other. Kinch Na Shannack owes the Takers Guild a small fortune for his education as a thief, which includes (but is not limited to) lock-picking, knife-fighting, wall-scaling, fall-breaking, lie-weaving, trap-making, plus a few small magics. His debt has driven him to lie in wait by the old forest road, planning to rob the next traveler that crosses his path. But today, Kinch Na Shannack has picked the wrong mark. Galva is a knight, a survivor of the brutal goblin wars, and handmaiden of the goddess of death. She is searching for her queen, missing since a distant northern city fell to giants. Unsuccessful in his robbery and

lucky to escape with his life, Kinch now finds his fate entangled with Galva's. Common enemies and uncommon dangers force thief and knight on an epic journey where goblins hunger for human flesh, krakens hunt in dark waters, and honor is a luxury few can afford. "The Blacktongue Thief is fast and fun and filled with crazy magic. I can't wait to see what Christopher Buehlman does next." - Brent Weeks, New York Times bestselling author of the Lightbringer series

Reading Khaled Hosseini May 02 2020 Making Culture, Changing Society proposes a challenging new account of the relations between culture and society focused on how particular forms of cultural knowledge and expertise work on, order and transform society. Examining these forms of culturee(tm)s action on the social as aspects of a historically distinctive ensemble of cultural institutions, it considers the diverse ways in which culture has been produced and mobilised as a resource for governing populations. These concerns are illustrated in detailed case studies of how anthropological conceptions of the relations between race and culture have shaped e" and been shaped by e" the relationships between museums, fieldwork and governmental programmes in early twentieth-century France and Australia. These are complemented by a closely argued account of the relations between aesthetics and governance that, in contrast to conventional approaches, interprets the historical emergence of the autonomy of the aesthetic as vastly expanding the range of arte(tm)s social uses. In pursuing these concerns, particular attention is given to the role that the cultural disciplines have played in making up and distributing the freedoms through which modern forms of liberal government operate. An examination of the place that has been accorded habit as a route into the regulation of conduct within liberal social, cultural and political thought brings these questions into sharp focus. The

book will be of interest to students and scholars of sociology, cultural studies, media studies, anthropology, museum and heritage studies, history, art history and cultural policy studies.

The Dumbest Generation Dec 09 2020 This shocking, surprisingly entertaining romp into the intellectual nether regions of today's underthirty set reveals the disturbing and, ultimately, incontrovertible truth: cyberculture is turning us into a society of know-nothings. The Dumbest Generation is a dire report on the intellectual life of young adults and a timely warning of its impact on American democracy and culture. For decades, concern has been brewing about the dumbed-down popular culture available to young people and the impact it has on their futures. But at the dawn of the digital age, many thought they saw an answer: the internet, email, blogs, and interactive and hyper-realistic video games promised to yield a generation of sharper, more aware, and intellectually sophisticated children. The terms "information superhighway" and "knowledge economy" entered the lexicon, and we assumed that teens would use their knowledge and understanding of technology to set themselves apart as the vanguards of this new digital era. That was the promise. But the enlightenment didn't happen. The technology that was supposed to make young adults more aware, diversify their tastes, and improve their verbal skills has had the opposite effect. According to recent reports from the National Endowment for the Arts, most young people in the United States do not read literature, visit museums, or vote. They cannot explain basic scientific methods, recount basic American history, name their local political representatives, or locate Iraq or Israel on a map. **The Dumbest Generation: How the Digital Age Stupefies Young Americans and Jeopardizes Our Future** is a startling examination of the intellectual life of young adults and a timely warning of its impact on American culture and democracy. Over the last few decades, how we view adolescence itself has changed, growing from a pitstop

on the road to adulthood to its own space in society, wholly separate from adult life. This change in adolescent culture has gone hand in hand with an insidious infantilization of our culture at large; as adolescents continue to disengage from the adult world, they have built their own, acquiring more spending money, steering classrooms and culture towards their own needs and interests, and now using the technology once promoted as the greatest hope for their futures to indulge in diversions, from MySpace to multiplayer video games, 24/7. Can a nation continue to enjoy political and economic predominance if its citizens refuse to grow up? Drawing upon exhaustive research, personal anecdotes, and historical and social analysis, *The Dumbest Generation* presents a portrait of the young American mind at this critical juncture, and lays out a compelling vision of how we might address its deficiencies. *The Dumbest Generation* pulls no punches as it reveals the true cost of the digital age—and our last chance to fix it.

Jazz Jul 16 2021 From the acclaimed Nobel Prize winner, a passionate, profound story of love and obsession that brings us back and forth in time, as a narrative is assembled from the emotions, hopes, fears, and deep realities of Black urban life. In the winter of 1926, when everybody everywhere sees nothing but good things ahead, Joe Trace, middle-aged door-to-door salesman of Cleopatra beauty products, shoots his teenage lover to death. At the funeral, Joe's wife, Violet, attacks the girl's corpse. This novel "transforms a familiar refrain of jilted love into a bold, sustaining time of self-knowledge and discovery. Its rhythms are infectious" (People). "The author conjures up worlds with complete authority and makes no secret of her angst at the injustices dealt to Black women." —The New York Times Book Review

York Times Bestselling Author of *Steve Jobs* The masterfully told story of the unlikely men who came together to make the Berlin Airlift one of the great military and humanitarian successes of American history. On the sixtieth anniversary of the Berlin Airlift, Andrei Cherny tells a remarkable story with profound implications for the world today. In the tradition of the best narrative storytellers, he brings together newly unclassified documents, unpublished letters and diaries, and fresh primary interviews to tell the story of the ill-assorted group of castoffs and second-stringers who not only saved millions of desperate people from a dire threat but changed how the world viewed the United States, and set in motion the chain of events that would ultimately lead to the dismantling of the Berlin Wall and to America's victory in the Cold War. On June 24, 1948, intent on furthering its domination of Europe, the Soviet Union cut off all access to West Berlin, prepared to starve the city into submission unless the Americans abandoned it. Soviet forces hugely outnumbered the Allies', and most of America's top officials considered the situation hopeless. But not all of them. Harry Truman, an accidental president, derided by his own party; Lucius Clay, a frustrated general, denied a combat command and relegated to the home front; Bill Tunner, a logistics expert downsized to a desk job in a corner of the Pentagon; James Forrestal, a secretary of defense beginning to mentally unravel; Hal Halvorsen, a lovesick pilot who had served far from the conflict, flying transport missions in the backwater of a global war—together these unlikely men improvised and stumbled their way into a uniquely American combination of military and moral force unprecedented in its time. This is the forgotten foundation tale of America in the modern world, the story of when Americans learned, for the first time, how to act at the summit of world power—a masterful and exciting work of historical narrative, and one with strong resonance for our time.
