Barbara Dixon and Rev. Robert Yarbrough, two ministers, two points of view. Sometimes we would hear what people said and we would look at each other and think, "Who told you that?" We also realized that often when we talked

that we came to the same conclusion even though we got there using different language. So, we thought it might be fun and informative to take 25 topics and each write one page about the topic. When we wrote this book, Rev. Bobby was in St. Petersburg, Florida and I was in Cincinnati, Ohio and we never read what the other had written. We don't want you to believe us, we just want you to dig deeper into your own thoughts and beliefs. This book is simply a catalyst for new thought. Dealing with grades, bullying, friendships, parents, crushes . . . it's enough to make any teenage

girl wish she could snap her fingers and make it all go away. The good news is, you almost can—except it's not "snapping" but "tapping"! Formally known as Emotional Freedom Techniques (EFT), this revolutionary practice can help you reduce your feelings of anxiety and overwhelm, boost your confidence, and unpack the "stress backpack" you may not even know you're carrying. In *The Tapping Solution for Teenage Girls*, expert EFT practitioner Christine Wheeler explains the basics of the technique (it actually involves tapping, with your fingers, on energy points on your own

body, and you can do it anywhere, anytime). Then she gives you simple yet powerful instructions for tapping on common challenges such as:

- Schoolwork, tests, grades, and planning for college
- Appearance and body image
- Dating, breakups, and dealing with sexual feelings
- Divorce, siblings, and blended families

Throughout the book, comments from 16-year-old Cassidy, the author's teen consultant, keep it real with helpful perspectives on how this tapping thing works—and it does work! In these pages, you'll discover that a super effective tool for dealing with

stress is literally at your fingertips. If you're ready to be true to yourself, stop freaking out, and keep being awesome, *The Tapping Solution for Teenage Girls* is the perfect solution for you! "A guide for parents into the world of their children's dreams, which often reveal their thoughts, feelings, and imaginations. Parents learn how to help children understand and not fear their dreams"-- Provided by publisher. *The Power of Tapping* is a guide to solving problems using Emotional Freedom Techniques (EFT). You'll be guided step-by-step first on how to do EFT and then how to apply it to many different

problems from fears and phobias to insomnia. It's easy to read and easy to follow - as one reader wrote "it's like having a conversation with you." If you want the freedom to create physical, emotional, mental and spiritual wellbeing and enjoy greater health, happiness and success, *The Power of Tapping* will help you do that. This how-to guide to using Emotional Freedom Techniques (EFT) supplies precisely detailed instructions of how to do EFT as well as how to apply it to different aspects of life - including ones most people never think of. EFT is very easy, gentle and simple to use by

people of all ages. It is a highly effective and fast acting method of creating personal transformation that is lasting. To learn to free yourself rapidly from negative emotions, physical symptoms, limiting beliefs and unwanted behaviours so you can enjoy a happier, more relaxed and fulfilling life, follow the suggestions in this book. Learn to use EFT for yourself in many different situations and circumstances that you would usually find stressful. It is easy to learn and simple to apply. Most importantly, it works! Put EFT to work in your life - order now. A book and DVD combine to explain a new

technique—called Meridian Tapping or Emotional Freedom Techniques—designed to help remove fears, doubts and other upsetting feelings that prevent one from living to the fullest. Co-written by the creator of the Chicken Soup for the Soul series. Reprint. This publication awakens the believer to a myriad of spiritual laws and principles of God which he can take advantage of and enter deeper realms of the spirit. It is worth exploring the divine truth that there are laws and principles that God has put in place by which He governs the universe. These are categorically

physical laws which govern the natural realm and spiritual laws which govern the realm of the spirit. For example, there is a law of gravity which stipulates that if you throw an object up in the air, it will evidently crash back onto the earth; the law of floatation which allows ships and boats to float on water, the law of aerodynamics that enables aeroplanes to fly and the law of electricity which helps us generate heat and light energy. The reality is that when we operate in obedience to these physical laws within nature, we reap positive results but when we violate them, the repercussions are severe. However, as

much as there are physical laws, there are also spiritual laws which are the highest class of laws governing and controlling the entire universe. In the spiritual realm, God has established a court system with laws, principles and divine protocols which functions just like the court system of the natural realm. Just like physical laws, when we cooperate with these spiritual laws, we reap alarming results but when we violate them, we face the consequences. It's a pity that most people do not understand the operation of these divine laws and protocols, which explains why the devil ends taking advantage of their

ignorance, thus gaining a legal foothold that grants him the right to ensnare them into debilitating circumstances of poverty, sickness and defeat. There are certain principles that one can tap into in order to walk into the deeper realities of God's power. Just like there are laws of gravity which governs how to operate in the natural realm, there are also spiritual laws that govern the spirit realm or how to operate in the realm of the miraculous. These laws of the supernatural complement each other and are progressions to enter into the greater depths of God. Each of these

laws has a specific manifestation that produces something special. However, it is unfortunate that many believers are failing to operate in the realm of the miraculous because they do not understand spiritual laws and principles which they could take advantage of to generate positive results. As a pastor for over 30 years, Bob Tipton has helped many overcome the challenges that happen in life. In *Getting Victory Over Life's Battles*, he shares Biblical scriptures and uplifting anecdotes to help the reader overcome their trials. 10 ways to tap into your social genius Windows 10 hit the scene in

Times—this updated edition illuminates its subject with technical insight, plenty of wit, and hardnosed objectivity. Drawing from his ten-year apprenticeship in sorcery, the author discusses the philosophy and teachings of his instructor, a Yaqui Indian Harvey Hook touches on the legacy each one of us hopes to leave. Hook explores the concept of redemptive action—how each of us can impact the world around us. He uses true-life stories of people in ordinary life who were plunged into remarkable circumstances and achieved extraordinary things. Using both

stories that are current and historical—stories of younger and older people alike—this book will appeal to a wide range of people. From these stories, the author derives insights and truths to help others apply themselves to make a difference in this world. International teacher and channel InEasa mabu Ishtar has spent more than a decade learning at the feet of the ascended masters. In *Tap into the Power of the Universal Rays*, she shares a roadmap to charting and following our souls mission that provides insight as to why we make choices and how to look inward to attain our true

purpose in life. Ishtar relies on her experience channeling the ascended masters to guide others on an introspective journey of self-mastery for the soul. Through twelve creation principles of the universe, Ishtar leads spiritual seekers down a path of enlightenment where they will learn what they have come to Earth to master and experience in each lifetime, and then transfer that knowledge to today's world to attain their highest potential and create peace and harmony. *Tap into the Power of the Universal Rays* shares twelve principles that guide others to

chart the journey of their souls and, in the process, realize happiness, abundance and success. Presents step-by-step instructions on the features of Windows 8.1, covering such topics as working with the desktop, exploring applications, managing files, and connecting with other devices and the Cloud. *Nature-centered economics for the age of peak oil* A comprehensive study of ephemera in twentieth-century literature—and its relevance to the twenty-first century “Nothing ever really disappears from the internet” has become a common warning of the digital age. But

the twentieth century was filled with ephemera—items that were designed to disappear forever—and these objects played crucial roles in some of that century’s greatest works of literature. In *The Death of Things*, author Sarah Wasserman delivers the first comprehensive study addressing the role ephemera played in twentieth-century fiction and its relevance to contemporary digital culture. Representing the experience of perpetual change and loss, ephemera was central to great works by major novelists like Don DeLillo, Ralph Ellison, and Marilynne

Robinson. Following the lives and deaths of objects, Wasserman imagines new uses of urban space, new forms of visibility for marginalized groups, and new conceptions of the marginal itself. She also inquires into present-day conundrums: our fascination with the durable, our concerns with the digital, and our curiosity about what new fictional narratives have to say about deletion and preservation. *The Death of Things* offers readers fascinating, original angles on how objects shape our world. Creating an alternate literary history of the twentieth century, Wasserman delivers an insightful and

idiosyncratic journey through objects that were once vital but are now forgotten. Nick Ortner, founder of the Tapping World Summit and best-selling filmmaker of *The Tapping Solution*, is at the forefront of a new healing movement. In his upcoming book, *The Tapping Solution*, he gives readers everything they need to successfully start using the powerful practice of tapping – or Emotional Freedom Techniques (EFT). Tapping is one of the fastest and easiest ways to address both the emotional and physical problems that tend to hamper our lives. Using the energy meridians of the body,

practitioners tap on specific points while focusing on particular negative emotions or physical sensations. The tapping helps calm the nervous system to restore the balance of energy in the body, and in turn rewire the brain to respond in healthy ways. This kind of conditioning can help rid practitioners of everything from chronic pain to phobias to addictions. Because of tapping's proven success in healing such a variety of problems, Ortnier recommends to try it on any challenging issue. In *The Tapping Solution*, Ortnier describes not only the history and science of tapping

but also the practical applications. In a friendly voice, he lays out easy-to-use practices, diagrams, and worksheets that will teach readers, step-by-step, how to tap on a variety of issues. With chapters covering everything from the alleviation of pain to the encouragement of weight loss to fostering better relationships, Ortnier opens readers' eyes to just how powerful this practice can be. Throughout the book, readers will see real-life stories of healing ranging from easing the pain of fibromyalgia to overcoming a fear of flying. The simple strategies Ortnier outlines will

help readers release their fears and clear the limiting beliefs that hold them back from creating the life they want. Dr. Johnson details the 30 healing virtues we all possess. With this guide, readers can view illness as an opportunity to begin living as never before. Gradually, Lorraine began to climb out of the pit of despair she had dug for herself. She began to see a flicker of the light of hope that had grown so dim since her diagnosis. Something was changing for her-- something with the power of the universe behind it. How could this be happening? How did Lorraine transform her

tragedy into a lesson for peace? Psychologist Richard Johnson calls Lorraine and others like her "spiritually healing persons," because they have risen to a new level of spirituality as a result of a traumatic illness. In this book Dr. Johnson details the 30 "healing virtues" they possess and how they used those virtues to transform themselves "from disgruntled patients into glorious persons for whom sickness has become a challenge and an opportunity for healing." Body/Mind/Spirit will not only "provide a picture of what a spiritually healing person looks like but will]

provide a road map to help you get there yourself." Paperback Have you ever said something was only a dream, only a coincidence, or only your imagination? In this book you'll discover that these "only" things can be keys to finding and living your bigger story. You'll learn to tap into the nine powers of dreaming, the nine rules of coincidence, and the seven uses of imagination. You'll be inspired by stories of how innovators and world changers have used these gifts, and you'll learn wonderful games to help you access your intuition, heal yourself, and bring juice to your

everyday life. When we claim the power of the Three Only Things, we reclaim tools that are profoundly simple yet have the power to remake our lives and the world. David Cray suffers a trauma which ends the life he's known on Earth. An unknown uncle shows up to convince him to travel to his father's planet where he begins a life journey that starts as a quest to the dark fortress of Mortus. He gathers a group of friends who share his trials, tribulations, and his hopes. Dave begins to transform as his buried heritage from his father develops and that includes magic and power. Dave comes to Faenum

unprepared in virtually every way. He's constantly surprised by what he encounters, he performs miraculous acts he can't explain, he doubts his decisions and feels overwhelmed by events and people in his new world. Dave becomes the de facto leader of the quest, but leads them into a trap and galling captivity. They escape from Mortus eventually but they're much changed people, never to be the same again. The revised and expanded 20th-anniversary edition of Iyanla Vanzant's first published work offers a powerful path to self-empowerment through the revitalization of one's spiritual and ancestral roots. Written with Iyanla's signature healing stories, this classic guide to uniting the will with the spirit teaches that only you have the power to make a change for the better. With chapters on basic breathing and

meditation techniques, setting up a home altar, connecting with ancestors and guardian spirits, and the extraordinary power of forgiveness, this book is a perfect companion on the way toward the real you. Known for teaching by principle and example, this exclusive edition also contains Iyanla's special "What I Know Now" commentaries and an original CD. These tools will challenge you to stop struggling and start recognizing that it is possible to reconcile your humanity with your divinity. Whether you are a beginner on the path or a veteran in need of

refreshment, Iyanla's prescriptions can support your growth from the comfort of spiritual adolescence to the wisdom of spiritual maturity. You no longer need to settle for the way things are . . . you can open up to the way things can be—if you dare to tap the power within! How to tap the real source of entrepreneurial power in you and in your organization The UnStoppables is based on foreword author Graham Weston's experience growing Rackspace, as well as fascinating case studies from such organizations as the Navy SEALs and Israeli Special Forces. In The UnStoppables Bill

Schley, co-founder of the branding firm Brand Team Six shows how the best practitioners think continuously about two things: The Big Picture and the Little Picture--essence and essentials. The essentials are the business and financial mechanics required of any working enterprise. But the essence is the emotional mechanics to deal with obstacles, risk, fear and failure. Mastering the emotional mechanics is how entrepreneurs succeed and winners win. This is how you capture the unlimited power of entrepreneurship to spark a successful start-up or revitalize a mature

organization. Explains why what's stopping you is more important than what's starting you, how to tap the essence of entrepreneurial power in you and in your organization, and how motion generates vision Bill Schley is an award winning author and established expert on branding and marketing communications, as well as the co-founder and creative director of the branding firm Brand Team Six Graham Weston is the internationally renowned co-founder and chairman of Rackspace, the world's #1 cloud computing and managed hosting company Locally,

this book teaches you how to become an entrepreneur or to inspire an entrepreneurial mindset to boost any stage business. Globally, this book is about how this nation can launch thousands more entrepreneurs for the future. Are you tired of playing church? Have you truly experienced the presence of the Living God in your life? If you have not experienced the presence of the Lord God in your life, then the transformation starts now! Seeking the One True Living God is written to help you begin understanding who you are in Christ. Christianity is not attending church every Saturday or Sunday, singing in

the choir, wearing a religious symbol, or being a minister. Christianity is a lifestyle, one of holiness and righteousness in the eyes of the Lord God Almighty. Dr. C. L. Friend's spiritual journey may be similar to others who have left the church, in search of something real. Finding that missing piece of your life starts within these pages. Seeking the One True Living God will probe your thinking in what you truly believe. This book will encourage you to stand strong on your faith and seek the Scriptures for understanding. Salvation is a journey, and you must walk with a clear understanding

of what you believe. This book was designed so people are not scattered about wandering around the world lost and not fully able to explain their beliefs. Many people do not know what they believe; however, this book will put into perspective the dire need to seek after the Lord of Hosts. The Lord does not wish for any to perish, so seek the wisdom from above. True Christians are called to be an example, a light in this world. Seeking the One True Living God points out the importance that followers of Christ need to let their light shine brightly! This book also encourages professing Christians to be the

church and not just be in the church. Glory be to the One True Living God. 2 Companies today are under increasing pressure to deliver shareholder value by squeezing as much as possible from their limited available resources. As one of these resources, workers are being asked to do more for less, and all within the same work week, leaving many of them looking for new ways to become more productive with their time. The Complete Idiot's Guide to Getting Things Done answers the call by giving readers the tools they need to increase their efficiency and

effectiveness in the workplace. From putting out fires to attacking long-term goals, and everything in between, readers are exposed to the fundamental principles of personal productivity. Moss's "Active Dreaming" is an original synthesis of contemporary dream work and shamanic methods of journeying and healing. A central premise of Moss's approach is that dreaming isn't just what happens during sleep; dreaming is waking up to sources of guidance, healing, and creativity beyond the reach of the everyday mind. If you want to 'change lives, change

organizations, change the world,' the Stanford business school's motto, you need power. Is power the last dirty secret or the secret to success? Both. While power carries some negative connotations, power is a tool that can be used for good or evil. Don't blame the tool for how some people used it. Rooted firmly in social science research, Pfeffer's 7 rules provide a manual for increasing your ability to get things done, including increasing the positive effects of your job performance. With 7 Rules of Power, you'll learn, through both numerous examples as well as research

evidence, how to accomplish change in your organization, your life, the lives of others, and the world. Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of The Laws of Human Nature. In the book that People magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the

philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-

defense, or simply to understand the rules of the game. The 20th anniversary edition of Vanzant's first published work offers a powerful path to self-empowerment based on the revitalization of one's spiritual and ancestral roots. The follow-up to his bestseller *The War of Art*, *Turning Pro* navigates the passage from the amateur life to a professional practice. "You don't need to take a course or buy a product. All you have to do is change your mind."
--Steven Pressfield
TURNING PRO IS FREE, BUT IT'S NOT EASY. When we turn pro, we give up a life that we may have

become extremely comfortable with. We give up a self that we have come to identify with and to call our own. **TURNING PRO IS FREE, BUT IT DEMANDS SACRIFICE.** The passage from amateur to professional is often achieved via an interior odyssey whose trials are survived only at great cost, emotionally, psychologically and spiritually. We pass through a membrane when we turn pro. It's messy and it's scary. We tread in blood when we turn pro. **WHAT WE GET WHEN WE TURN PRO.** What we get when we turn pro is we find our power. We find our will and our voice and we find

our self-respect. We become who we always were but had, until then, been afraid to embrace and live out. The journey of the witch is one of self-discovery, empowerment, and connection to the natural world.
