**The Spy Who Changed History** Jul 04 2020 On a sunny September day in 1931, Soviet spy Stanislav Shumovsky walked down the gangplank of the SS Europa and into New York, concealed in a group of 65 Soviet students. Joseph Stalin had sent him to acquire American secrets to help close the USSR's yawning technology gap, and the road to victory began in the classrooms and laboratories of MIT. Using information gleaned from this mission, the USSR first transformed itself into a military powerhouse able to defeat Nazi Germany. Then in 1947, American innovation exfiltrated by Shumovsky made it possible to build and unveil the most advanced strategic bomber in the world. Later, other MIT-trained Soviet spies would go on to acquire the secrets of the Manhattan Project. In this thrilling history, Svetlana Lokhova takes the reader on a journey through Stalin's most audacious intelligence operation, piecing together every aspect of Shumovsky's life and character using information derived from American and Russian archives.

**A Shilling Book of Old Testament History for National and Elementary Schools** Oct 31 2022

**Who is Jesus?** Jan 28 2020 This work discusses the quest for the Jewish Jesus of history and challenges readers to think seriously about not only Jesus' historical significance, but also his ongoing moral and theological relevance.

**The Seven Years War** Jul 28 2022 The Seven Years War has been described as the first global conflict in history. It engulfed the Euro-Atlantic world from 1756 to 1763, and engaged the energies of European cabinets as never before. More than previous conflicts, the Seven Years War involved a variety of approaches to war, and taxed the military, material and moral resources of the powers involved. Drawing on a diverse array of archival, printed primary and secondary sources, *The Seven Years War: A Transatlantic History* covers the war's origins, its conduct on land and at sea, its effects on logistics and finance, its interactions with domestic politics, its influence on international relations and its approach to peace. The book highlights the role of personality, alongside the enduring importance of communication, misperception and understanding. In so doing, it endeavours not merely to chronicle the war's events, but to situate them in the context of mid-eighteenth century warfare, finance, politics and diplomacy. The Seven Years War will be of great interest to students of the European history, American history, maritime history, diplomatic and military history.

**MTT** Jun 26 2022 Four new candidates for positions as Observers in the Metaphysical Time Travel (MTT) Organization arrive at the organization's principal facility. They come under the influence of the primary management team at the facility and begin their training. This novel is about the people involved in the facility and its satellite organizations. As the candidates progress through the learning process their development reflects the paths being carved by their linear choices. These choices are impacted by a mixture of rational and irrational decisions and the resultant interactions with each other and the existing facility staff. Everyone has a past, a present and a future. The facility staff includes, Dr. Anne Cleary, the founder of the MTT organization. Her life is extensively intertwined with the other staff members and the novel allows us to examine some of the key moments in the life of Dr. Cleary and her staff. A crucial time in the future is discovered. It changes everything about how the MTT organization will have to function. It also impacts each of the individuals by forcing them to consider their own mortality. These are mostly good people in a challenging environment. Humor is their salvation in most cases. Anne Cleary has created an organization of caring and committed individuals. This novel lets you meet the key players and a selection of the more individual walk on parts.

**Questions and answers for job interview Offshore Oil & Gas Rigs** Mar 12 2021 The job interview is probably the most important step you will take in your job search journey. Because it's always important to be prepared to respond effectively to the questions that employers typically ask at a job interview Petrogav International has prepared this eBooks that will help you to get a job in oil and gas industry. Since these questions are so common, hiring managers will expect you to be able to answer them smoothly and without hesitation. This eBook contains 288 questions and answers for job interview and as a BONUS web addresses to 289 video movies for a better understanding of the technological process. This course covers aspects like HSE, Process, Mechanical, Electrical and Instrumentation & Control that will enable you to apply for any position in the Oil and Gas Industry.

**Don't Let the Music Die** Feb 08 2021 He's never forgotten. She wishes she could. After nearly a decade paying her dues, radio host Avery Lind is on the cusp of making her dreams come true. When the 'on-air' sign lights up, her award-winning radio show will be broadcast across the nation and every lonely night, forgotten friendship, and failed relationship will have been worth it. That is until the past she thought she'd outrun saunters into her studio—on the biggest day of her life. Musician Matt Taylor has spent the last nine years proving 'the platinum effect'—that blonds do, in fact, have more fun. At least that's what everyone thinks. In truth, all he wants is a chance to prove he's more than pretty packaging. When the perfect opportunity lands in his lap, he's ready to show the world the real Matt Taylor. Until he recognizes the woman behind the microphone. Her hair and name are different, but there's no mistaking her. Her eyes have been imprinted on his heart since the day she left him—with no explanation. The chemistry between them still crackles like radio static—on and off air. But as they grow close once again, Avery is left with one question: will she have to reveal her secret to get a second chance with the man she's never forgotten? *Don't Let the Music Die* is the second book in the Storyhill Musicians contemporary romance series. If you like steamy, swoony workplace entanglements then you'll love this second-chance romance.

**A Shilling Book of New Testament History for National and Elementary Schools** Sep 29 2022

*A history of the church to A. D. 461* Aug 17 2021

*Discovering Gettysburg* Sep 17 2021 A "witty, entertaining, educational" blend of travel memoir and Civil War history (Scott L. Mingus, Sr, award-winning author of *Flames beyond Gettysburg*). Gettysburg is a small, charming city nestled in south central Pennsylvania—but its very name evokes passion and angst, enthusiasm and sadness. For about half the year its streets are mainly empty, its businesses quiet, the weather cold and blustery. For the other months, however, the place teems with hundreds of thousands of visitors, bustling streets and shops, and more than a handful of unique larger-than-life characters. And then, of course, there is the Civil War battle that raged there during the first days of July 1863 at the price of more than 50,000 casualties. Its monuments and guns and plaques tell the story of the colossal clash of arms and societies, just as its National Cemetery bears silent witness to at least part of the cost of that bloody event. Yet, the author explains, he did not fully appreciate the profound meaning of this mammoth battle, its influential characters (living and dead), its deep meaning to our society, until he visited this hallowed ground in person. In this travelogue, you can join him at a host of famous and off-the-beaten-path places on the battlefield, explore the historic town as it is today, and learn fascinating facts and stories. Also included are maps and caricatures provided by award-winning cartoonist Tim Hartman.

*Mt. Angel Abbey* Jun 14 2021

**10 Questions and Answers on Mormonism** Feb 20 2022 Ten questions digging into the history and theology of the Church of Jesus Christ of Latter Day Saints cult divulge their heretical teachings—in some cases using Mormon teachings against themselves! Answers to Mormon views on God and Jesus, the veracity of their Book of Mormon, and analysis of their version of salvation illuminate their variance from Christianity. Tips for talking with a Mormon, a glossary and a page of resources are also included.

*Plato's Parmenides and Its Heritage* Mar 31 2020 *Plato's Parmenides and Its Heritage* presents in two volumes ground-breaking results in the history of interpretation of Plato's Parmenides, the culmination of six years of international collaboration by the SBL Annual Meeting seminar, "Rethinking Plato's Parmenides and Its Platonic, Gnostic and Patristic Reception" (2001-2007). The theme of Volume 1 is the dissolution of firm boundaries for thinking about the tradition of Parmenides interpretation from the Old Academy through Middle Platonism and Gnosticism. The volume suggests a radically different interpretation of the history of thought from Plato to Proclus than is customary by arguing against Proclus's generally accepted view that there was no metaphysical interpretation of the Parmenides before Plotinus in the third century C.E. Instead, this volume traces such metaphysical interpretations, first, to Speusippus and the early Platonic Academy; second, to the Platonism of the first and second centuries C.E. in figures like Moderatus and Numenius; third, to the emergence of an exegetical tradition that read Aristotle's categories in relation to the Parmenides; and, fourth, to important Middle Platonic figures and texts. The contributors to Volume 1 are Kevin Corrigan, Gerald Bechtle, Luc Brisson, John Dillon, Thomas Szlezák, Zlatko Pleše, Noel Hubler, John D. Turner, Johanna Brankaer, Volker Henning Drecoll, and Alain Lernoùd.

**10 Questions and Answers on Jehovah's Witnesses** Jul 16 2021 Ten questions digging into the history and theology of the Jehovah's Witnesses cult divulge their heretical teachings, in some cases using JW teachings against themselves! Answers to JW views on the Holy Spirit and the Trinity, the veracity of their version of the Holy Bible, and analysis of their version of salvation illuminate their variance from Christianity. Tips for talking with a Jehovah's Witness, a glossary, a page of resources and much more included. Size: 8.5" x 5.5" unfolds to 33" long. Full-color illustrations and photographs. Fits inside most Bibles. Rose Publishing Product Code: 582X

*History of Penobscot County, Maine* Sep 25 2019 *History of Penobscot County, Maine, with Illustrations and Biographical Sketches.*

**Technical questions and answers for job interview Offshore Drilling Platforms** Apr 12 2021 This book offers you a brief, but very involved look into the operations in the drilling of an oil & gas wells that will help you to be prepared for job interview at oil & gas companies. From start to finish, you'll see a general prognosis of the drilling process. If you are new to the oil & gas industry, you'll enjoy having a leg up with the knowledge of these processes. If you are a seasoned oil & gas person, you'll enjoy reading what you may or may not know in these pages. This course provides a non-technical overview of the phases, operations and terminology used on offshore drilling platforms. It is intended also for non-drilling personnel who work in the offshore drilling, exploration and production industry. This includes marine and logistics personnel, accounting, administrative and support staff, environmental professionals, etc. No prior experience or knowledge of drilling operations is required. This course will provide participants a better understanding of the issues faced in all aspects of drilling operations, with a particular focus on the unique aspects of offshore operations.

*Carpenter's Reply to Sumner: Speech of Hon. Matt H. Carpenter of Wisconsin* Aug 24 2019 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. *Trust and Happiness in the History of European Political Thought* May 02 2020 A much-needed historical perspective in the highly relevant contemporary debates around these two notions by contextualising their discussion from ancient Greece to Soviet Russia.

*The child's Scripture history ... in question and answer* Aug 29 2022

*Difficult Patient* Mar 24 2022 Imagine having a life-threatening illness only for doctors to think you're faking it. Sue Currie suffers from a strain of porphyria so rare that she was only the 18th known case in the world. In 1991, the medicine she needed had a guaranteed Fed Ex delivery date of four days from Europe. But hers took fifteen years, three months, and twenty-two days. Sue was admitted to hospital, in agony, hundreds of times, but when her disease was assessed as not serious enough to be causing that level of pain, she was labelled as mentally ill and manipulative, a drug addict shopping for painkillers. Though Sue, herself a nurse, knew her pain was real and how it could be treated, the `experts? refused to believe her. She became a difficult patient, forced to stand alone against the entire state medical system. Eventually, after years of fighting and irreversible damage to her body and mind, she found the medical maverick who would save her life. *Difficult Patient* is a powerful and timely account of falling through the cracks in the medical system, a compelling story of cover-ups, power plays and, ultimately, redemption.
