Amma, universally known as "The Hugging Saint," went through a two-decade transformation from a simple fisherman's daughter to an international wonder worshiped by millions. Gail "Gayatri" Tredwell was there

every step of the way--from early devotee to head female disciple, ever-present personal attendant, handmaiden, whipping post, and unwilling keeper of some devastating secrets. Because she became fluent in the Malayalam language and had continual intimate proximity to Amma for twenty years, Tredwell is uniquely capable of portraying this famous woman. She tells her tale with straightforward honesty, fairness, and a dash of Aussie snap and wit. Although the guru's flaws are a necessary part of her story and awakening, she strives to be factual throughout, digging deep to eschew victim frameworks and take responsibility for her own role in accepting the abuse and perpetuating the lies. Tredwell takes us vividly through her varying stages, starting with naïveté and innocent devotion, then on to dawning awareness and confusion, finally to emotional breakdown and her shocking "enlightenment"--her realization that the liberation she urgently required was in fact liberation from her own

guru Wild West adventurer and sharpshooter Samuel Lambert worries that he will be a fish out of water when he comes to Glasscastle University to contribute his shooting skills to the top-secret Agincourt Project. Increasingly possessed by a yearning to escape the ennui of an indifferent marriage and the empty but comfortable lifestyle of a bureaucrat, Raghu decides to visit the small patch of ancestral property in his native village. The novel moves between the two worlds the past and the present with pungent, earthy humour and sharp insights. Naalukettu: The House Around the Courtyard is the story of a young boy, Appunni, set in a matrilineal Nair joint family (a taravad) in the author's native village, Kudallur. Fascinated with accounts of the prestigious Naalukettu taravad from which his mother was expelled, Appunni visits the house only to be despised and rejected by all. Appunni grows up to earn enough money and returns to buy his ancestral home, but his victory soon turns into ashes when his father's

murderer turns out to be the same man who was the only sympathetic adult in Appunni's lonely teenage years. A work-by-work commentary on the Bach cantatas by the world's most famous Bach scholar, now available in English for the first time. It includes all the cantata librettos in German-English parallel text. An indispensable reference book for anyone listening to, performing in, or studying any of the Bach cantatas. The powerful memory of a former love rules Radhika's inner world as she builds a small-time practice in Law, and attempts normalcy in a marriage she neither wanted nor resisted. Raped at age ten, raped again as a young collegiate, she is abandoned twice: first by her father and later by Christy who loved her, but takes her through a wedding ceremony only to leave her later the same day. When Christy returns sixteen years later, shattered and unstable, the burnt and withered roots of love bloom again. Trauma, betrayal, and loneliness are the colours that paint this picture of physical

and emotional violence that Radhika endures. National And State Literature Akademi Awardee M.T. Vasudevan Nair's Novel Is Set Against The Backdrop Of The Crumbling Matrilineal Order Of Kerala In A Newly Independent India. As Freedom And Democracy Promise Prosperity, A Young Upper Caste Boy Full Of Idealism Learns To Deal With A World That Is Less Than Ideal. Bovine Bugles is the author's own English translation of his novel Aarohanam, which won him the Kerala Sahitya Academy Award. V K N was a path breaking and celebrated Malayalam writer, noted mainly for his high brow satire. India is heralded as the world's largest democracy. Yet, there is now growing alarm about its democratic health. To Kill a Democracy gets to the heart of the matter. Combining poignant life stories with sharp scholarly insight, it rejects the belief that India was once a beacon of democracy but is now being ruined by the destructive forces of Modi-style populism. The book details the much deeper historical roots of

the present-day assaults on civil liberties and democratic institutions. Democracy, the authors also argue, is much more than elections and the separation of powers. It is a whole way of life lived in dignity, and that is why they pay special attention to the decaying social foundations of Indian democracy. In compelling fashion, the book describes daily struggles for survival and explains how lived social injustices and unfreedoms rob Indian elections of their meaning, while at the same time feeding the decadence and iron-fisted rule of its governing institutions. Much more than a book about India, *To Kill A Democracy* argues that what is happening in the country is globally important, and not just because every third person living in a democracy is an Indian. It shows that when democracies rack and ruin their social foundations, they don't just kill off the spirit and substance of democracy. They lay the foundations for despotism. *Kuttiedathi and Other Stories* is a careful collection of ten short stories.

This collection brings together some of the most well known stories of M T Vasudevan Nair, fairly representative of his literary works. Written over a broad span of time from 1962 to 2000, the stories collected here reflect the built-in variety of his fictional concerns and the changing tones of his narration. Baali and Sugreeva of the Vana Nara tribe were orphan brothers who were born in abject poverty and grew up as slaves like most of their fellow tribesmen. They were often mocked as the vanaras, the monkey men. Sandwiched between the never-ending war between the Deva tribes in the north and the Asura tribes in the south, the Vana Nara seemed to have lost all hope. But Baali was determined not to die a slave. Aided by his beloved brother, Sugreeva, Baali built a country for his people. The capital city, Kishkindha, became a beacon of hope for emancipated slaves from across the world. It was a city of the people, by the people, for the people, where there was no discrimination based on caste,

creed, language or the colour of skin. For a brief period in history, it seemed as if mankind had found its ideal hero in Baali. But then fate intervened through the beautiful Tara, the daughter of a tribal physician. Loved by Baali and lusted after by Sugreeva, Tara became the cause of a fraternal war that would change history for ever. The love triangle between Baali, Tara and Sugreeva is arguably the world's first. Written by Anand Neelakantan who gave a voice to Ravana in Asura, Duryodhana in the Ajaya series and Sivagami in the Baahubali series, Vanara is a classic tale of love, lust and betrayal. Shakespearean in its tragic depth and epic in its sweep, Vanara gives voice to the greatest warrior in the Ramayana-Baali.

And then reality, painful and threatening, begins to intrude on the sojourner's resting place and Ravi begins to understand that there is no escape from the relentless dictates of karma... Often poetic and dark, always complex and rich, The Legends of Khasak, O.V. PENGUIN RANDOM HOUSE IS PROUD TO PUBLISH ANTI-CLOCK, WINNER OF THE O.V. VIJAYAN AWARD AND THIKKURISSI AWARD 'A philosophical novel that discusses the mysterious problems of life and death' BENYAMIN "'Time is everything, man is nothing; he is, at most, time's carcass.'" V.J. James's novel Anti-Clock has given an extremely creative twist to these words by Karl Marx' O.V. VIJAYAN PRIZE Hendri, the coffin maker, has one goal in life: to see the dead body of his nemesis Satan Loppo being lowered into the coffin he has painstakingly carved. For it was

Loppo who defiled his beloved Beatrice, and let loose his hellhound Hitler upon Hendri, giving him a permanent limp. From inside his coffin shop, Hendri watches the world go by even as he prepares to deliver justice upon Loppo. He is confronted by the son of his best friend becoming enamoured with Loppo's wealth, Loppo's evil designs towards the hills of Aadi Nadu, and his own Christian guilt that regularly comes to haunt him. Until he meets Pundit, a 112-year-old watchmaker who was part of Bose's Indian National Army and is building an 'Anti-Clock', which can turn back time. When Loppo too hears of the Anti-Clock and desires to possess it, the inevitable battle becomes a reality. With his initial plans for an independent India in tatters, the desperate viceroy, Lord Mountbatten, turned to his seniormost Indian civil servant, Vappala Pangunni Menon—or VP—giving him a single night to devise an alternative, coherent and workable plan for independence. Menon met his stringent

deadline, presenting the Menon Plan, which would change the map of the world forever. Menon was unarguably the architect of the modern Indian state. Yet startlingly little is known about this bureaucrat, patriot and visionary. In this definitive biography, Menon's great-granddaughter, Narayani Basu, rectifies this travesty. She takes us through the highs and lows of his career, from his determination to give women the right to vote; to his strategy, at once ruthless and subtle, to get the princely states to accede to India; to his decision to join forces with the Swatantra Party; to his final relegation to relative obscurity. Equally, the book candidly explores the man behind the public figure— his unconventional personal life and his private conflicts, which made him channel his energy into public service. Drawing from documents—scattered, unread and unresearched until now—and with unprecedented access to Menon's papers and his taped off-the-record and explosively frank

interviews—this remarkable biography of VP Menon not only covers the life and times of a man unjustly consigned to the footnotes of history but also changes our perception of how India, as we know it, came into being. Ian Rankin's John Rebus, arguably the most realistic detective in crime fiction, is a brilliant but troubled man. When a young woman goes missing near his native Edinburgh, Scotland, Rebus finds himself just one small cog in the huge wheel of an inquiry set in motion by her powerfully rich father. Struggling to deal with both his own often-terrifying inner demons as well as the monstrous bureaucracy of the investigative team, Rebus finds himself drawn again and again into the case, desperately searching for the girl's salvation, as well as his own. In time Inspector Rebus uncovers two leads: one, a carved wooden doll stuffed tightly into a tiny casket, and the other the missing girl's possible involvement in a dark, disturbing Internet-based role-playing game. He enlists the

help of the tech-savvy DC Siobhan Clarke, who is young enough to know her way around the net, but who may not be old and wise enough to avoid potentially deadly pitfalls and traps. Meanwhile, Rebus tracks down stories of similar caskets and dolls turning up in the area deep into Edinburgh's past, some stretching back to a time when body-snatchers turned into brutal killers. As Rebus and Clarke delve deeper and deeper into these perilous and obscure worlds, ancient and modern evils begin to converge and soon Rebus finds he's besieged by an impenetrable mass of secrets, lies, and deadly deceit that only he can make sense of. In *The Falls*, a brilliant addition to an award-winning series, both John Rebus and his creator, Ian Rankin, are at the top of their intense and satisfying form. Fans around the world adore the bestselling No. 1 Ladies' Detective Agency series and its proprietor, Precious Ramotswe, Botswana's premier lady detective. In this

Matekoni, and the promotion of her talented secretary (a graduate of the Botswana Secretarial College, with a mark of 97 per cent), she also finds her family suddenly and unexpectedly increased by two.
