One of Time's 12 Books for the History Buffs on Your Holiday Gift List The first single-volume history of Istanbul in decades: a biography of the city at the center of civilizations past and present. For more than two millennia Istanbul has stood at the crossroads of the world, perched at the very tip of Europe, gazing across the shores of Asia. The history of this city--known as Byzantium, then Constantinople, now Istanbul--is at once glorious, outsized, and astounding. Founded by the Greeks, its location blessed it as a center for trade but also made it a target of every empire in history, from Alexander the Great and his Macedonian Empire to the Romans and later the Ottomans. At its most spectacular Emperor Constantine I re-founded the city as New Rome, the capital of the eastern Roman empire, and dramatically expanded the city, filling it with artistic treasures, and adorning the streets with opulent palaces. Around it all Constantine built new walls, truly impregnable, that preserved power, wealth, and withstood any aggressor--walls that still stand for tourists to visit. From its ancient past to the present, we meet the city through its ordinary citizens--the Jews, Muslims, Italians, Greeks, and Russians who used the famous baths and walked the bazaars--and the rulers who built it up and then destroyed it, including Mustafa Kemal Ataturk, the man who christened the city "Istanbul" in 1930. Thomas F. Madden's entertaining narrative brings to life the city we see today, including the rich splendor of the churches and monasteries that spread throughout the city. Istanbul draws on a lifetime of study and the latest scholarship, transporting readers to a city of unparalleled importance and majesty that holds the key to understanding modern civilization. In the words of Napoleon Bonaparte, "If the Earth were a single state, Istanbul would be its capital." An archaeologist who has spent much of his life in the Near East attempts to share his profound interest in an antique land, its inhabitants, and the surviving monuments that link the present to the past. Illustrations. Tour guides, a highly responsible group of professionals who are in direct communication with tourists traveling around the world, have a great impact on the proper promotion of the culture of countries, global peace, and tolerance. Additionally, they are also effective in the preservation of world natural heritage. Thus, the educational status of tour guides, as well as the characteristics and ethical values that they should possess, need to be examined on an international scale. In today's world, where tourism demand is directed towards all types of tourism, practices in special interest tourism should be customized in order to ensure the highest level of service quality and cultural appreciation. Cases on Tour Guide Practices for Alternative Tourism provides emerging research exploring the theoretical and practical aspects of the occupational issues that surround tour guides and their applications within international tourism. Featuring coverage on a broad range of topics such as cultural education, specialized learning, and international business, this book is ideally designed for tour guides, travel agencies, tour managers, tour developers, heritage sites, museums, academicians, researchers, students, industry experts, and hospitality professionals. About Lonely Planet: Since 1973, Lonely Planet has become the world's leading travel media company with guidebooks to every destination, an award-winning website, mobile and digital travel products, and a dedicated traveller community. Lonely Planet covers must-see spots but also enables curious travellers to get off beaten paths to understand more of the culture of the places in which they find themselves. The world awaits! Lonely Planet guides have won the TripAdvisor Traveler's Choice Award in 2012, 2013, 2014, 2015, and 2016. 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' -- Fairfax Media 'Lonely Planet guides are, quite simply, like no other.' - New York Times Important Notice: The digital edition of this book may not contain all of the images found in the physical edition. First published in 2005. Routledge is an imprint of Taylor & Francis, an informa company. Shivya Nath quit her corporate job at age twenty-three to travel the world. She gave up her home and the need for a permanent address, sold most of her possessions and embarked on a nomadic journey that has taken her everywhere from remote Himalayan villages to the Amazon rainforests of Ecuador. Along the way, she lived with an indigenous Mayan community in Guatemala, hiked alone in the Ecuadorian Andes, got mugged in Costa Rica, swam across the border from Costa Rica to Panama, slept under a meteor shower in the cracked salt desert of Gujarat and learnt to conquer her deepest fears. With its vivid descriptions, cinematic landscapes, moving encounters and uplifting adventures, The Shooting Star is a travel memoir that maps not just the world but the human spirit. If you want a holiday that's hassle-free, virtually pre-paid, and that lets you see lots of places while only needing to pack and unpack once, then you should try a cruise. This best-selling book is the cruise industry bible: it gives you all the information you need to choose the right cruise for you. Meticulously updated every year by cruise expert Douglas Ward, it is divided into two main parts: the first helps you work out what you're looking for in a cruise holiday and how to find it; the lively text and colour photographs describe every aspect of life on board, including safety, the highs and lows of the cruise experience and how to save money. The second part contains unbiased reviews and fascinating detail of almost 300 ocean-going cruise vessels, and grades them on service, food, entertainment and facilities, using an internationally recognised ratings system. Each title in The Applause Libretto Library Series presents a Broadway musical with fresh packaging in a 6 x 9 trade paperback format. Each Complete Book and Lyrics is approved by the writers and attractively designed with color photo inserts from the Broadway production. All titles include introduction and foreword by renowned Broadway musical experts. Long before Dorothy dropped in, two other girls meet in the Land of Oz. One, born with emerald green skin, is smart, fiery, and misunderstood. The other is beautiful, ambitious, and very popular. The story of how these two unlikely friends end up as the Wicked Witch of the West and Glinda the Good Witch makes for the most spellbinding new musical in years. The Rough Guides Snapshot Turkey: the Turquoise Coast is the ultimate travel guide to this region of Turkey.
